

## eTwinning " Famous women of the world"

**Project partners - Latvia, Malta, Azerbaijan**

**Working language - English**

This project is based on famous women of the world. Students will work in groups and will find information about famous women.

**The project is attended by Vangage High School (young people from classes 7-9).**

### Purpose of the project

- 1 to enlarge information about famous women;
- 2 to improve english language skills;
- 3 to teach students working in groups;
- 4 to enlight the role of the women in the world.

### Work process

February - we introduce our students to one another

March - we divide them into international groups according to the topics: politics fashion, education, arts.

April - meeting online and presenting students` work.

May - evaluation and dissemination of the project

**Project result** - Power point presentations, Facebook page, e-book of the project.

**February** Task: During this month, all students taking part will introduce themselves. You can use any type of media to do this activity. This is going to be displayed in the tab Pages.

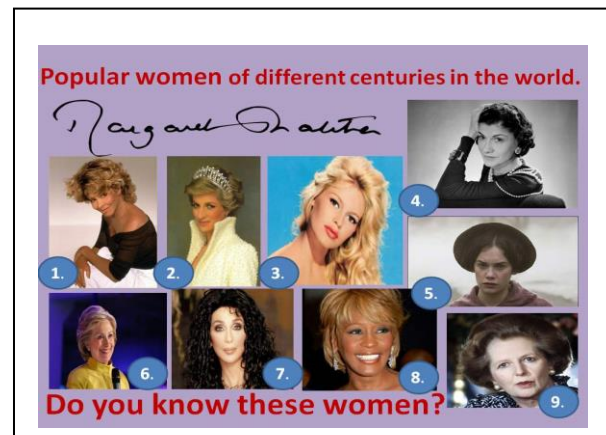

March - Students are group according to these topics:

- Women in Politics
- Women in Religion
- Women in Fashion
- Women in Education
- Women in Entertainment

Each group will create presentations on one of the above topics.

**April** - During this month, a live event date will be set so that students will show their presentations to their partners.

- May - During this month:
  1. Evaluating the project.
  2. Dissemination of the project by creating an ebook.
